

Medical Education Training Camp Transfer Guide Shawnee State University

Associate of Arts in General Studies,
Bachelor of Science in Health Science, and
Bachelor of Individualized Studies

MARIAH WOODWARD, RDH, MPH ASSISTANT
PROFESSOR
DIRECTOR, BSHS
SHAWNEE STATE UNIVERSITY

The **Associate of Arts in General Studies degree (AAGS)** provides the student with the credentials to begin an entry-level position in a variety of professional fields or to transfer credits to a bachelor's degree program of their choice. These students are given the freedom to take courses from a variety of fields while still receiving a thorough grounding in the Liberal Arts and Sciences including mathematics, natural sciences, history, writing, social sciences, philosophy, literature, art and oral communication. The Associate of General Studies degree requires the student to fulfill 60 college credit hours with specific credits from each of Shawnee State University's general education categories.

The **Bachelor of Science in Health Science (BSHS)** provides a natural baccalaureate degree pathway for many health-related careers. The degree requirements are flexible in order to allow opportunities for entrance and advancement in a wide variety of health-related fields. The BSHS opens doors to a multitude of careers or enables students to continue their education by pursuing a graduate program.

Career opportunities are endless, but listed below are a few.

- | | |
|-------------------------------|-----------------------------|
| Healthcare Administrator | Clinical Laboratory Science |
| Healthcare | Counseling Therapies |
| communications/information | Education |
| Epidemiology | Engineering and Science |
| Clinical Data Coordinator | Medicine Public Health |
| Quality Assurance Specialist | Rehabilitation Therapies |
| Health Scientist | Wellness Promotion |
| Health Science Policy Analyst | |

The **Bachelor of Individualized Studies (BIS)** This degree provides an opportunity to gain advanced skills for a specific career goal. As a flexible degree, the BIS can be tailored to the needs of a variety of professional fields. The BIS is particularly useful for:

- Students who wish to earn a degree for which there is no formal program
- Students seeking to combine aspects of two or more programs
- Students seeking a bachelor degree for career advancement

Radiologic Technologist Program

Service Course Number(s): L5ABJ4Y031 00AA (Air Force); 313-68P10 (Army); B-313-0126 (Navy)

Radiologic Technologist Program

METC Course	SSU Equivalent
RAD 202 MHUM 101 (2274)	RDLT 1101 (3-2250)
PHYS 101 (3150)	RDLT 1240 (3-2250)
RAD 102 QMGT 101 (5340)	RDLT 1341 (4-3000)
RAD 104 BIOL 110 (1380)	RDLT 2251 (2-1500)
RAD 103 RAD 106 (10380)	RDLT 1120 (4-3000)
RAD 105 (7860)	RDLT 1221 (4-3000)
RAD 107 (4380)	RDLT 1322 (3-2250)
RAD 201 (1200)	RDLT 2260 (3-2250)
RAD 210 (2820)	RDLT 2361 (3-2250)
BIOL 101 (4290)	BIOL 1130 (4-3000)
BMO 101 Army (8640)	EMTP 1010 (2-1500)

Radiologic Technologist Program (*Air Force and Navy*) – BSHS (online)

Shawnee State University

940 2nd Avenue
Portsmouth, Ohio 45662
Main: (740) 351-3205
Admission: (740) 351-4778
